

# TNT Star Program Home Report

For the week of: \_\_\_\_\_

Child's Name: \_\_\_\_\_

Dear Parents and Guardians,

Please consider this form your report of your child's help at home. As you already know, we at TNT expect our students to follow all of the home rules, every day. We also want to encourage voluntary contributions to the family and household. If you have to ask for it, it doesn't count. Please take some time to explain this report to your child, and establish the kind of help or chores that you want them to help with, so he or she can earn stars at TNT!

Please fill out the form throughout the week and turn It in to the Star Reports File after 7 days.

Circle the chores that your child helped with WITHOUT being asked, that contributed to the family and/or household. Please be honest - this report is intended to help you!
