

## TNT Calculates!

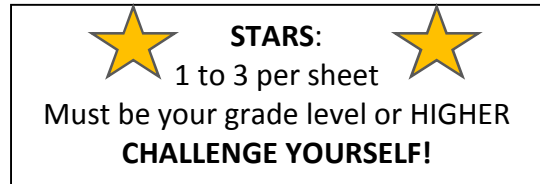

### Math for Academics Stars:

**Math:** The difficulty of what you choose, and the neatness and correctness of your work, will determine the number of stars. Also -- MAKE SURE you write your NAME and the GRADE YOU ARE ENTERING on your forms before turning them in!!

**RULES!** To be able to get stars, the work turned in must

- 1) Be on a **TNT-approved form**
- 2) Have your **full name and grade** on it
- 3) Be **neat and legible**
- 4) Be **hand-completed** (no typed work)
- 5) Be **correct**
- 6) Be **challenging – Not too easy!!!**
- 7) **Not be repeated** – only new work can be turned in as the summer goes on!

Ask your parents to help you get the math challenge forms on-line at this website:

<http://www.math-drills.com>

**The forms must be either from the grade you just completed OR HIGHER.**
